

Forecast For Northern Ireland  
Issued by Met Office Aberdeen  
at 0400 on Wednesday 22 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Rain pushing into the northwest, staying dry further east.

Today:

Staying dry with some bright spells in the morning. Patchy light rain edging into the northwest during afternoon, pushing further southwards during the evening. Quite windy. Maximum temperature 21 deg C (70 deg F).

Tonight:

Light and patchy rain and cloud likely to affect all areas in the evening but clearing later in the night. Fresh westerly winds. Minimum temperature 9 deg C (48 deg F).

Thursday:

Perhaps some rain at first in the north but becoming dry and bright with winds easing for a time but strengthening once again in the evening. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:

Cloudy and wet on Friday but drier and brighter on Saturday. Strengthening winds on Sunday with a few showers and perhaps some heavier rain later.
